Site Radar®

SiteRadar takes the complexity out of cybersecurity:

+ Finds, notifies and provides you with responses to threats.
+ Provides at-a-glance understanding of your threats.
+ Shows you how to repel a cyber attack.
+ Creates cybersecurity compliance reports instantly.
+ Allows you to isolate your OT network from IT systems and threats.

DIMENSIONS

Length	Width	Height
4.5 in	4.3 in	1.5 in
115 mm	107.5 mm	39 mm

ENVIRONMENTAL PROPERTIES

Power	110/120 Volts AC	Supply Voltage	12DC
Operating Humidity	5-95% Noncondensing	Supply Amps (Max)	200mA
Operating Temp	32˚ – 158˚ F	Frequency	50-60HZ

Site Radar is covered under U.S. Patents 7,602,079 and 7,791,220
